* Due to the USA boycotting the Olympics in 1980, the USA Olympic Trials took the place of the National Championships, held after the Olympic Games that year. The results of the Olympics were displayed side by side with the Olympic Trials results at the meet so they could be compared live.

** This was the only year relays were held at Olympic Trials. See previous note.

*** Dave Sims was named to the USA Olympic Team and received a Congressional Gold Medal of Honor.
