JOE DECICCO PROMOTED TO YOUTH & FAMILY DIRECTOR

(Joliet, IL) I am very excited to announce that Joe DeCicco has been promoted to the position of Galowich's Youth & Family Director. Even though Joe has been at Galowich for a short period of time in the role of Youth and Family Manager, he brings with him several years of YMCA experience from other organization. Similar to his time with us, he also has successfully ran camps and teen programs with these other organizations. These experiences, along with Joe's strong leadership abilities, will allow Joe to take our department to new and exciting places in 2010 and for years beyond. Please join me in congratulating Joe on his newest endeavors!!!!
