Volunteer Days of Service Sponsorship Opportunities

Volunteerism is a powerful force for solving community problems, a creative use of human resources and essential for a healthy, productive, and engaged society. We invite you to invest in our community by becoming a sponsor of the YMCA's inaugural Volunteer Days of Service.

Through our unique sponsorship opportunities, your company will be able to choose a level of involvement that will meet your business needs and budget considerations, and generate goodwill by helping to provide the resources needed to make a fun and impactful day even more successful.
