Endowment Gifts

Today, our YMCA benefits from the visionary volunteers and donors who came before us. It was their foresight and inspiring generosity that helped to shape the organization we know. Through membership in our Heritage Club, we honor donors who have chosen to establish an endowed fund, bearing their name or the name of a loved one in perpetuity. Proceeds from these funds are directed annually to area designated by the donor or to uphold our Association-wide promise to ensure that one on is turned away for the inability to afford a Y experience.

Named endowments represent a contribution of \$10,000 or more, payable up to three years. Donors can also opt to make a greater impact by including the Y in their will or as beneficiary of an insurance or retirement policy, for the benefit of their named endowment fund.
