Kid Zone PLUS Youth Enrichment Program

REGISTRATION OPENS FRIDAY, JULY 31

As the exclusive provider of Morris Grade School District 54's onsite before and after school program, the Morris Community YMCA has the distinct pleasure of working each day with the youth in Morris. With the start of the new school year quickly approaching, we are continuing to monitor updates from the Centers for Disease Control and Prevention (CDC) and local, state and federal health officials to ensure our YMCA is prepared to welcome students to our Kid Zone PLUS program this fall.

ALWAYS HERE FOR OUR COMMUNITY

As our community continues to navigate through this public health crisis, the Y is committed to providing much-needed childcare for Morris Grade School families during the 2020-2021 school year. The Y will be teaming up with Morris Grade School District 54 to provide onsite childcare for kids before school (7 a.m.-start of school) and after school (dismissal-5:30 p.m.) each day.

KID ZONE PLUS PROGRAM CURRICULUM

The YMCA's character building campaign pledges to incorporate the values of Caring, Honesty, Respect and Responsibility into all of its youth programming. Our Kid Zone PLUS program will provide a resource-rich environment for children in grades K-8. Students will participate in activities throughout the day that focus on arts and humanities, character development, wellness, fitness, and literacy. Time each day will also be dedicated to students' remote learning activities.

HEALTH AND SAFETY GUIDELINES

Because the safety of our community remains our top priority, we have made modifications to our policies and programs to facilitate new safety and social distancing guidelines. To maintain a healthy and safe environment, all Kid Zone PLUS participants and staff will be required to adhere to strict health and safety guidelines, including:

- Daily health screenings and temperature checks
- Mask requirements
- Frequent handwashing

Students will be divided into small groups by grade levels to ensure social distancing can be maintained throughout the day. Each group will have its own designated spaces and equipment.

The Y will also be working with Morris Grade School District 54 to ensure high-touch areas are sanitized hourly.
