## Kid Zone PLUS Youth Enrichment Program

**REGISTRATION IS UNDERWAY!**

As the exclusive provider of Irene King Elementary School's onsite before and after school program, the C.W. Avery Family YMCA has the distinct pleasure of working each day with the youth in Romeoville. With the start of in-person learning quickly approaching, we are continuing to monitor updates from the Centers for Disease Control and Prevention (CDC) and local, state and federal health officials to ensure our YMCA is prepared to welcome students to our Kid Zone PLUS program.

### ALWAYS HERE FOR OUR COMMUNITY

As our community continues to navigate through this public health crisis, the Y is committed to providing much-needed child care for Irene King Elementary School families during the 2020-2021 school year. The Y will be teaming up with Valley View School District to provide onsite child care for kids before school (7 a.m.-start of school) and after school (dismissal-6 p.m.) each day.

**Irene King students may attend the Y's Kid Zone PLUS program on the days they are scheduled to participate in in-person learning at school.**

### KID ZONE PLUS PROGRAM CURRICULUM

The YMCA's character building campaign pledges to incorporate the values of Caring, Honesty, Respect and Responsibility into all of its youth programming. Our Kid Zone PLUS program will provide a resource-rich environment for children in grades K-5. Students will participate in activities throughout the day that focus on arts and humanities, character development, wellness, fitness, and literacy.

### HEALTH AND SAFETY GUIDELINES

Because the safety of our community remains our top priority, we have made modifications to our policies and programs to facilitate new safety and social distancing guidelines. To maintain a healthy and safe environment, all Kid Zone PLUS participants and staff will be required to adhere to strict health and safety guidelines, including:

- Daily health screenings and temperature checks
- Mask requirements
- Frequent handwashing

Students will be divided into small groups to ensure social distancing can be maintained throughout the day. Each group will have its own designated spaces and equipment.

## LET'S WORK TOGETHER

Our Kid Zone PLUS program will continue to evolve to meet the needs of Irene King Elementary School families throughout the 2020–2021 school year. Program hours and daily activities will be adjusted to coordinate with the school district's plans for instruction.

## OUR COMMITMENT TO YOU

Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.
