YMCA summer day camps offer an action-packed, adventure-filled experience, where young people can make new friends while having a whole lot of fun! At camp, kids laugh, learn, explore, and grow, while creating memories and friendships that last a lifetime.

The Y's summer camp program creates opportunities for kids to learn new skills, be creative, build self-confidence, and gain independence in a safe, fun, and nurturing environment. For these reasons and so many more, hundreds of area children attend summer day camp at the Y; to belong, achieve, and build relationships.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

OUR CAMP PHILOSOPHY

Fostering friendships is vital to the camp experience. To ensure campers develop meaningful relationships, they are grouped by age and each group participates in frequent teambuilding and leadership activities. We are committed to creating a camp community that promotes healthy friendships amongst all campers and staff.

OUR COMMITMENT TO YOU

We believe the values and skills learned early on are vital building blocks for life. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Each day, parents look to the YMCA to provide a safe and secure environment where children can learn practical social skills and develop positive values. Our **low staff-to-child** ratio also allows our team to give each camper the attention and guidance necessary to create a positive and safe environment.

Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.

OUR STAFF TEAM

At YMCA camp, caring and professional role models are committed to helping kids build confidence and character. The dedication and professionalism of our highly trained staff is extraordinary. All YMCA Day Camp staff are 18 years of age or older and have been trained or certified in the following:

- CPR
- AED
- First Aid
- Bloodborne Pathogens
- Prevention/Recognition of Child Abuse
- Sexual Harassment Prevention
- Camp Safety

STAYING HEALTHY TOGETHER

Although our summer day camp program will look a little different this year, we remain dedicated to providing all YMCA campers and their families with a healthy and safe camp experience, full of fun and wonderful memories. To keep everyone healthy and safe, we've updated our cleaning practices and adapted our summer camp programs to meet safety recommendations from the Centers for Disease Control and Prevention (CDC) and local, state, and federal health officials by incorporating:

- Daily health screenings
- Temperature checks
- Small group sizes
- Social distancing
- Mask requirements

Per guidelines from the CDC and the American Camp Association, counselors and campers will be required to wear a mask or face covering at all times, with the exception of swim time. The YMCA will be providing each of our campers with a reusable mask, but all campers are welcome to bring their own masks from home. This will help to keep everyone healthy and safe this summer.

AMAZING LEARNING EXPERIENCES

Counselor in Training (CIT) Leadership Program
