Kid Zone Youth Enrichment Program

REGISTRATION IS OPEN

As the exclusive provider of Saratoga District 60C's onsite after school program, the Morris Community YMCA has the distinct pleasure of working each day with the youth in Morris. We are continuing to monitor updates from the Centers for Disease Control and Prevention (CDC and local, state and federal health officials to ensure our YMCA is prepared to continue to welcome students into our Kid Zone program.

ALWAYS HERE FOR OUR COMMUNITY

As our community continues to navigate through this public health crisis, the Y is committed to providing much-needed childcare for Saratoga families during the 2020-2021 school year. The Y will be teaming up with Saratoga District 60C to provide onsite childcare for kids from school dismissal until 5:30 p.m. each day.

KID ZONE PROGRAM CURRICULUM

The YMCA's character building campaign pledges to incorporate the values of Caring, Honesty, Respect and Responsibility into all of its youth programming. Our Kid Zone program will provide a resource-rich environment for children in grades K-8. Students will participate in activities throughout the day that focus on arts and humanities, character development, wellness, fitness, and literacy.

HEALTH AND SAFETY GUIDELINES

Because the safety of our community remains our top priority, we have made modifications to our policies and programs to facilitate new safety and social distancing guidelines. To maintain a healthy and safe environment, all Kid Zone participants and staff will be required to adhere to strict health and safety guidelines, including:

- Daily health screenings and temperature checks
- Mask requirements
- Frequent handwashing

Students will be divided into small groups by grade levels to ensure social distancing can be maintained throughout the day. Each group will have its own designated spaces and equipment.

The Y will also be working with Saratoga District 60C to ensure high-touch areas are sanitized hourly.
