GREATER JOLIET AREA YMCA

KEEP GROWING AND EXPLORING

We know that learning doesn't end when the school bell rings. The way your children spend time before and after school can make a big difference in their personal development and your family-life balance. At the YMCA, kids engage in a variety of exciting physical and imaginative activities that encourage them to explore who they are and what they can achieve.

After school programs at the Y are more than a safe place for your child. Our program nurtures a child's potential, ensuring the development of healthy, trusting relationships that build confidence and character. Through guided play, children learn to respect themselves and others, work out their differences, and discover the value of true friendship.

Academic support from caring role models enriches your child's educational experience and enables families to spend more quality time together.

FINANCIAL ASSISTANCE IS AVAILABLE

At the YMCA, no one is turned away due to the inability to pay. In keeping with our mission, the Greater Joliet Area YMCA provides financial assistance, as funds are available, to those who qualify, based on a sliding fee scale. DHS funds are also accepted. To learn more about the Y's Financial Assistance Program, please visit www.jolietymca.org or stop by your local branch today.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR COMMITMENT TO YOU

We believe the values and skills learned early on are vital building blocks for life. At the Y, children learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Each day, parents look to the YMCA to provide a safe and secure environment where children can learn practical social skills and develop positive values. Our low staff-to-child ratio also allows our team to give each student the attention and guidance necessary to create a positive and safe environment.

Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.

OUR BEFORE AND AFTER SCHOOL TEAM

In the YMCA's Before and After School Program, caring and professional role models are committed to helping kids build confidence and character. The dedication and professionalism of our highly trained staff is extraordinary. All YMCA Kid Zone Counselors are 16* years of age or older and are required to be trained or certified in a number of Health, Safety, and Child Development courses, including the following:

- American Red Cross First Aid, CPR, AED
- American Red Cross Anaphylaxis and Epi Auto-Injector
- Bloodborne Pathogens

*Certain eligibility requirements must be met for 16 and 17-year-old candidates.
