CHANGING LIVES THROUGH GIVING

The Y is one of the nation's leading nonprofits, strengthening communities through youth development, healthy living and social responsibility. The Greater Joliet Area YMCA has been serving families from throughout Will County and its surrounding areas for more than 95 years.

The Joliet Y Jets Swim Team promotes the YMCA values of Caring, Honesty, Respect, and Responsibility. Swimmers come not only from Joliet but surrounding communities like Plainfield, New Lenox, Morris, and Ottawa to improve their competitive swimming skills, develop confidence and leadership abilities, and to make lifelong friendships.

Each season, our families fundraise to help underwrite expenses associated with the team, travel, and swim meets. Through our unique sponsorship opportunities, your company will be able to choose a level of involvement that will meet your business needs and budget considerations, and generate goodwill by directly impacting our hard-working young athletes.

The Greater Joliet Area YMCA is a 501(c)(3) charitable organization. Your contribution is tax deductible.

When you financially support the JETS, you make a difference in young lives that will make an impact for generations. Together, we can invest in our community, one life at a time.

ABOUT THE JETS

One of the area's most historic youth swimming clubs, the Joliet Y JETS Swim Team is a year-round developmental competitive swimming program that offers instruction and training for swimmers, ages six and up. Swimmers of all ages learn the importance of teamwork, sportsmanship, and setting and achieving goals while developing their competitive swimming skills.

"I owe my current passion and career to the time, work ethic, skilled coaching, team spirit and sense of discipline and perfection I learned from my swimming years at the Joliet JETS." - David Marchant, JETS Alumnus
