

COMMUNITY GROWS HERE

**A COMMUNITY CAMPAIGN
TO BUILD THE NEW
MORRIS HOSPITAL YMCA**

MORRIS COMMUNITY YMCA
320 Wauponsee Street
Morris, IL 60450
(815) 513-8080
www.jolietymca.org

Since 2006, the Y has served residents living in Grundy County by offering programs to youth and adults alike, helping them learn, grow and thrive.

POSSIBILITY GROWS HERE

On 13.5 acres adjacent to Morris Grade School, the YMCA, in partnership with Morris Hospital and Healthcare Centers, envisions a place where the community will come together to grow in spirit, mind and body. Family bonds will grow stronger. Children will grow in character and gain self-confidence. People of all ages will grow healthier. Our community will grow here.

That's why we have plans to build a new YMCA in Grundy County and grow the possibilities for a stronger and more connected community.

Since opening our Wauponsee Street location, we have continued to grow not only our facility and program offerings, but also the number of people we serve each year in Grundy County. To continue to serve our community and offer the types of programs and spaces our neighbors desire, it is time to grow again.

WHAT WE'RE BUILDING

A new 60,000–square-foot YMCA and healthcare center adjacent to Morris Grade School offering:

- Health, wellness and recreation programming
- A gymnasium and indoor walking track
- Aquatics programming
- Gathering and meeting space
- Intergenerational space (seniors and youth)
- Green space for youth programming
- In partnership with Morris Hospital:
- Cardiac and pulmonary rehabilitation services
- Physical therapy
- Speech therapy

COMMUNITY IMPACT

The new Y will:

- Offer a **continuum of care** in one location, blending prevention, wellness and family programming.
- Create a **welcoming and fully accessible environment** for people of all abilities, ages, and backgrounds.
- Create opportunities for **families and adults to connect**.
- Coordinate efforts with Morris Hospital, **maximizing our unique organizational strengths**.
- Provide a **safe, positive environment for more youth and teens** to build character and participate in a variety of programs.
- Expand access to **affordable health and wellness services for all residents** living in Grundy County.

HELP OUR COMMUNITY GROW

The YMCA's **COMMUNITY GROWS HERE** Campaign is your opportunity to provide support for a new YMCA in

Grundy County. Your support ensures we can continue to serve the community's needs.

Gifts of any amount will make a difference and help to change lives.

RECOGNITION OPPORTUNITIES

While all donors will be acknowledged, special recognition opportunities are available for gifts of \$1,000 or more. Your gift will be acknowledged on the Recognition Wall at the new Morris Hospital YMCA, commensurate with your gift of support.

DONOR LEVELS

Harvester: \$10,000 to \$24,999

Cultivator: \$5,000 to \$9,999

Implementor: \$2,500 to \$4,999

Planter: \$1,000 to \$2,499

Consider donating in honor or memory of someone special. The recognition can feature the name of the individual, family, company or business you wish to honor.
