YMCA summer day camps offer action-packed fun where kids make new friends, explore new interests, and create lasting memories. In a safe, nurturing environment, campers build skills, confidence, and independence—while laughing, learning, and growing all summer long.

### OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

### OUR DAY CAMP PHILOSOPHY

Fostering friendships is vital to the camp experience. To ensure campers develop meaningful relationships, they are grouped by age and each group participates in frequent teambuilding and leadership activities. We are committed to creating a camp community that promotes healthy friendships amongst all campers and staff.

### OUR COMMITMENT TO YOU

We believe that the values and skills learned early on are vital building blocks for life. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Each day, parents look to the YMCA to provide a safe and secure environment where children can learn practical social skills and develop positive values. Our **low staff-to-child** ratio also allows our team to give each camper the attention and guidance necessary to create a positive and safe environment.

Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.

### OUR STAFF TEAM

At YMCA camp, caring and professional role models are committed to helping kids build confidence and character. The dedication and professionalism of our highly trained staff is extraordinary. All YMCA Day Camp staff are 16+ years of age or older and have been trained or certified in the following:

- CPR
- AED
- First Aid
- Bloodborne Pathogens
- Prevention/Recognition of Child Abuse
- Sexual Harassment Prevention
- Camp Safety

\*Certain eligibility requirements must be met for 16 and 17-year-old candidates.

### DAY CAMP HOURS

7 a.m.–6 p.m.

### WHAT TO BRING EACH DAY TO DAY CAMP

Children should wear simple, non-restrictive clothing and gym shoes. Campers should dress for the weather, as most camp activities are held outside.

#### EVERY CAMPER GETS A FREE T-SHIRT AND BACKPACK.

Please remember to label all items. Unclaimed lost items will be donated to a local charity at the conclusion of camp.

### AMAZING LEARNING EXPERIENCES

#### Safety Around Water Program

The YMCA has been teaching kids how to swim for more than a century, providing lessons about water safety in a fun and safe environment. As part of the Y's Safety Around Water Program, children will have the opportunity to develop this essential lifeskill while enrolled in YMCA summer camp.

Each week, summer day campers must participate in a swim test before entering the pool. Based on their swimming abilities, campers are given a red, yellow, or blue wristband. To earn a blue wristband, swimmers must have enough strength, skill, and confidence to jump into the deep end of the pool, tread water, and swim the length of the pool using a front crawl stroke without stopping.

To improve their swimming skills, all red and yellow wristband campers will participate in 15-minute swim lessons several times a week. Our goal is to help all non-swimmers and intermediate swimmers "Go Blue" by the end of summer.

#### Counselor in Training (CIT) Leadership Program

The summer camp environment provides a unique opportunity for youth to build leadership skills by gaining hands-on experience assisting our fantastic team of camp counselors with our younger campers. Open to registered summer day campers entering grades 7–8, the goal of the YMCA's Counselor in Training (CIT) Program is to teach teens leadership skills that can be used at school, home, and in the community. Interested campers must fill out an application.

#### Teen Volunteer Opportunities

Volunteers play an important role in the success and quality of YMCA programs. Area high school students, entering grades 9–12, are invited to volunteer in a variety of capacities during summer camp. Prospective volunteers must submit a volunteer application.

Programs vary by location. To learn more about these opportunities, please contact the Camp Director at your local YMCA branch.
